Why Mobility Bathworks ?

Mobility Bathworks is a veteran owned company that manufactures Walk in Tubs and Barrier Free Showers. Our Reputation is founded on unparalleled service and support. We value each client and will always go the extra mile to ensure customer satisfaction.

Mobility Bathworks offers :

- ◆ Barrier Free Showers
- ◆ Barrier Free Shower Pans
- ◆ 50 Different Shower Sizes
- ◆ Inward Swinging Walk in Tubs
- ◆ Outward Swinging Walk in Tubs
- ◆ 30 Different Walk in Tub Models
- ◆ Therapeutic Features

Inward Swinging Tubs

Our Walk in Tubs Include...

The angled grab bar, which lets you securely sit and stand in your walk in tub.

The firm J handle which makes it easy to open and securely close the tub door.

The retractable showerhead which lets you shower with ease.

An extension box to fit into a 60" space.

" We have Walk in Tubs that can fit into any bathroom."

Outward Swinging Wheelchair Accessible Tubs

Our Walk in Tubs Include...

The latch which makes opening and closing the door effortless.

The angled grab bar, which lets you securely sit and stand in your walk in tub.

An extra wide entrance which makes transferring from wheelchair to tub easier.

The foot well which allows you to rest your feet comfortably. *Optional reflexology jets massage your feet *

Available Options:

- ◆ **Omni Hydrotherapy Jets** are adjustable air jets that are positioned for maximum body coverage.
- ◆ **Directional Pressure Point Jets** are water jets that grant you the opportunity to experience a powerful deep massage to specific parts of your body.
- ◆ **Chromatherapy** stimulates your well being with soothing colored lights.
- ◆ **Aromatherapy** allows you to be uplifted with the beautiful scent of your choice as you lie back in comfort.
- ◆ **Heated Backrest** keeps you warm while you wait for the tub to fill and drain.
- ◆ **Vibrosonic Hydro System** with 3 high aqua pressure outlets, allow you to enjoy pressure, pulsation and vibration massages.
- ◆ **Microbubble System** uses the process of infusing the pressurized water with billions of micro sized, oxygen rich bubbles. These bubbles will transform your bath into a soothing cloud of silky smooth water that will help moisturize, soften, restore and exfoliate your skin.
